"Adverting to Government order No.1462-79/Muz.268-22-11 dated 17th April 1924, directing the transfer of certain rest houses in the State to District Boards, I have the honor to state that the Rest House at Mandya was handed over to the District Board on 30-6-24.

The President Taluk Board reported that the building is in a dilapidated condition and that as it is situated in the middle of Brahmin street next to Sri Janardanaswami temple, it is of no use to non-brahmin travellers and cannot serve the purpose of a Musafirkhana and opined that it is not worthwhile having the building and that the building also requires considerable repairs.

The matter was placed before the District Board meeting held on 11th July 1925 and it was resolved that the Board is not in favour of taking over this building (extract of resolution is enclosed.)

I have inspected the building. It cannot be a musafirkhana for all classes. But it is a big construction and by the expenditure of Rs.1,000/- can be kept for the use of pilgrims on occasions of local utsavams and for marriage parties. Mandya is the head Quarters of a sect of Sri Vaishnavas who frequently congregate in large numbers there The smartha residents and the caste Hindus also represented that the building is best conserved in this manner and attached to the temple for the benefit of all devotees of the temple.

In these circumstances, I have the honor to request that sanction of Government may kindly be obtained to treat the building as attached to the Sri Janardanaswamy temple at the place. Efforts will be made to repair the building by reising local subscriptions and from temple funds."

Sir,

With reference to your letter No. 700/M.F. 150-25-2 dated 8th December 1925 in the matter of the disposal of the Chattram Building at Mandya, I have the honor to state that in his letter No. H. 192/A. C. dated 4th April 1927 the Deputy Commissioner reported that neither the Sri Janardanaswami Temple nor any other Institution was in a position to have the building repaired and to maintain it in ~~proper~~ good condition and therefore recommended that it might be handed over to the Education Department for the location of the Kanada Girls' School therein.

2. As a free-gift of the Building to the Education Department was not possible, the Deputy Commissioner was requested to make enquiries whether the Education Department was willing to purchase the building for a fair upset price. In his letter dated 23rd September 1927 (copy enclosed) the Deputy Commissioner states that the Director of Public Instruction has been requested to intimate whether the Education Department would agree to take up the building at a valuation to be fixed by the D.P.W. and that a reply is awaited.

3. In the meanwhile the Deputy Commissioner recommends that the serviceable vessels of the Chattram may be given over to the Sri Janardanaswami temple for being used by the Devotees who resort thereto for performing marriage etc. From the list enclosed in the records it will be seen that out of 78 vessels belonging to the Chattram only 26 vessels are serviceable, the remaining being unserviceable. I beg to recommend that the serviceable vessels may be ordered to be made over to the Sri Janardanaswami temple. The
